## EYECARE AMERICA

GLAUCOMA IS AN EYE DISEASE THAT CAN START WITHOUT NOTICEABLE SYMPTOMS, SO MANY PEOPLE DON'T KNOW THEY HAVE IT. THE GOOD NEWS IS THAT REGULAR EYE EXAMS CAN HELP AVOID VISION LOSS. AFRICAN AMERICANS, HISPANICS, PEOPLE OVER SIXTY-FIVE, AND THOSE WITH A FAMILY HISTORY OF GLAUCOMA ARE AT HIGHER RISK. TO HELP, EYECARE AMERICA PROVIDES PATIENTS IN NEED OF EYE CARE WITH A MEDICAL EYE EXAM FROM AN OPHTHALMOLOGIST, AN EYE DOCTOR, USUALLY AT NO OUT-OF-POCKET COST. LEARN MORE AT E-Y-E-CARE-AMERICA--DOT--ORG, THAT'S EYE-CARE-AMERICA--DOT--ORG.
