IMAGINE TAKING A CHILD TO THE DOCTOR THINKING SHE HAS AN INFECTION ONLY TO DISCOVER IT'S TYPE ONE DIABETES AND YOUR HEALTH INSURANCE DOESN'T COVER ALL THE COSTS. THAT'S WHAT HAPPENED TO FIVE-YEAR-OLD **KARIS BELL**.

FORTUNATELY, WHEN HEALTH INSURANCE IS NOT ENOUGH, A **HEALTH-WELL FOUNDATION PEDIATRIC ASSISTANCE GRANT** CAN HELP.

THE NONPROFIT GROUP HELPS PAY FOR **KARIS'S** SUPPLIES—INCLUDING AN INSULIN MONITOR—AND THE CO-INSURANCE FOR HER HOSPITAL AND CLINIC VISITS.

YOU CAN HELP CHANGE A CHILD'S LIFE BY GIVING TO THE **PEDIATRIC ASSISTANCE FUND** AT [HEALTH-WELL-FOUNDATION--DOT--ORG](http://HEALTH-WELL-FOUNDATION--DOT--ORG).
