Scent-sational Gift Ideas

(NAPSA)—Some people have a knack for giving gifts. Those who do often choose their presents based on the recipient's personality, turning gifting into an art that brings pleasure to all.

For example, for the woman who enjoys looking elegant and being beautifully scented, why not give a jewel of a fragrance and a jeweled watch to go with it? Both were originally designed by the legendary Elizabeth Taylor.

Lavish her with luxury and the beauty of White Diamonds.
