

WHAT WOULD YOU DO?

EVERY THREE MINUTES, SOMEONE IN THE U-S IS DIAGNOSED WITH A BLOOD CANCER. DESPITE PROGRESS, MORE THAN A THIRD OF BLOOD CANCER PATIENTS STILL DO NOT SURVIVE FIVE YEARS AFTER THEIR DIAGNOSIS. BUT THANKS TO THE RESEARCH FUNDED BY THE LEUKEMIA AND LYMPHOMA SOCIETY IN THE FIELD AND ON THE HORIZON, WE NOW HAVE A REAL OPPORTUNITY TO CHANGE THAT OUTCOME.

WITH CONTINUED SUPPORT, THOUSANDS OF PATIENTS WHO DON'T RESPOND WELL TO CURRENT TREATMENTS WILL HAVE HOPE WITH BETTER-TOLERATED TREATMENT OPTIONS. WITH YOUR HELP, WE CAN ENSURE THAT PATIENTS GET BETTER ACCESS TO LIFESAVING TREATMENTS, THERAPIES AND QUALITY OF LIFE.

I LIVE. I LIVE. I LIVE. I LIVE. I LIVE. HE LIVES. BECAUSE OF THE RESEARCH DONE BY THE LEUKEMIA AND LYMPHOMA SOCIETY IN THE BATTLE AGAINST BLOOD CANCER.

IF YOU HAD A CHANCE TO SUPPORT THE RESEARCH THAT IS SAVING LIVES, WHAT WOULD YOU DO?
